## Experience

### Timothy Jacob Jensen Studios - Denmark

Project Manager | Remote | Jan - Present 2025

### Designers Trust - Denmark

Freelance - Industrial Designer | Remote | Oct - Dec 2024

As a freelancer, I primarily focused on kitchen appliance products and contributed to the development of new product lines tailored for the European market.

### Intern- Industrial Designer | Onsite | Feb - Aug 2024

I have created innovative designs for international clients, with some now in production. Through hands-on experience, I have enhanced my creativity, technical skills, and ability to collaborate effectively in teams.

### Rezonant Design - India

Product and Experience Thinker | Onsite | Aug - Dec 2023

I worked on designing an Experience Center, which included an exhibition display, signage design, and environmental graphics.

### CEPT University - India

Teaching Assistant | Onsite | Jan - Mar 2023

Teaching Assistant for the mandatory course: Design for Users: People-Centric Design Thinking at CEPT University.

### Foley Designs - India

Intern - Industrial Designer | Onsite | Jan - Jun 2022

I have Contributed to concept development, prototyping, user research, 3D modeling, and cross-functional collaboration. Enhanced design skills and gained practical experience in product design processes.

### Industry Development Network (IDN) - India

Intern - Industrial Designer | Remote | May - Jul 2021

I Designed a sporting mask with motor-assisted breathing during internship, enhancing CAD skills, product design expertise, and cross-functional collaboration.
